2	0-30 days before starting of yatra date . this year yatra date 01st jul, so after 01st June no refund.		
3	No Show No Refund.		
4	After Starting of Tour No refund.		
Additional Information , Rules & Terms & Conditions			
1	Passengers have to mandatorily follow the government prescribed measures in regards to COVID-19. Either Covid negative report or Vaccination Certificate is required to enter Jammu & Kashmir.		
2	Passengers will be provided PPE gowns/kits, masks & sanitizers from helicopter operator before boarding their respective flights.		
3	Passengers should ensure social distancing with other pilgrims at the time of darshan. Wearing a mask is compulsory to board the helicopter and must be worn at all times.		
4	Flying in hills is subject to weather conditions. And in regard to our Amarnath operations, we would like to bring to your kind attention that flight cancellations & other inconveniences due to weather are very much likely since weather is extremely unpredictable in the hills. Passengers should come prepared to face the eventualities which can arise by bad weather/force majeure problems.		
5	Force Majeure situations include cases of bad weather, low visibility for flying, delayed Air Traffic Clearances/Permissions, VVIP movements, valley flying by Indian Air Force (NOTAM), sudden occurrence of technical snag in aircraft, illness of flying crew or late reporting of the guests at the helipads, among others. in case of bad weather/force majeure situation, helicopter will operate as per helicopter operator policies mentioned in the terms & Conditions.		
6	Chances of flight cancellation due to bad weather are common during monsoon. All passengers are strongly advised to be prepared in case you get stuck at Lower-cave helipad due to bad weather, Carry sufficient woolen clothes, torch , umbrella , shawls, etc.		
7	In respect of COVID-19, all necessary measures issued by the State & Central Governments would have to be adhered by the passengers. The measures shall be confirmed by Helicopter company to the passengers 02-03 weeks prior to the date of arrival. Without adhering to the prescribed measures/requirements, boarding would be denied without any refunds.		
8	The mentioned charter cost is valid subject to strict compliance of the above sector. Any alteration in plan will be extra chargeable over and above the above quote.		
9	The above-mentioned flying timings are not final. Timings may differ on your date of travel, depending up on, your arrival at Srinagar Airport & the take-off time from Srinagar, which depends on weather conditions, clearance from Air Force & Civil Aviation, VVIP movements, flying by Indian Air Force (NOTAM), sudden occurrence of technical snag in helicopter, illness of flying crew or delayed reporting of the guests at the helipads.		
10	Guests have to MANDATORILY submit their correct weights at the time of booking. The reason for the same is that, helicopter operates at very high-altitude terrain where the weight carrying capacity of the aircraft is only 450kg. If any change in weight found at the time of their travel, from the submitted weights, which may lead to exceeding aircraft weight carrying capacity, guest(s) would be deboarded & cancelled for the charter, without any refund.		
11	Weighing at the time of boarding the helicopter is a must, since the helicopter operator shall not allow boarding in case the total weight exceeds the weight limitation of the helicopter. And, due to the same reason, in case of more than 01 available aircraft, helicopter operator reserves the right to shuffle passengers between helicopters to manage the right weight of helicopters for safe flying in the hills Therefore, passengers travelling together might not be accommodated in the same helicopter flight.		
12	Passengers would be taken on board depending on load and temperature conditions. Pilot's call will be final. Hence, passengers are advised to provide their exact weights at the time of booking and carry luggage within the permissible limit.		
13	Passengers will be picked up from Srinagar airport depending upon the arrival of their flights. Passengers are advised to arrive at Srinagar by 07:00 Hrs at the latest, in order to comfortably finish the darshan return same day.		

14	Last ETD (Estimated Time Departure) from Lower-Cave helipad will be 1530 Hrs (in case passengers are travelling by scheduled airlines) to Srinagar Airport. If ETD is further delayed, the chances of missing the return flight from Srinagar Airport is high.
